Dog

Information

Registration

- All dogs over the age of three months must be registered.
- Dogs are to be registered with the Local Government in which the dog normally resides.
- If you move (within the state) you do not need to re-register your dog, you do however need to inform the Local Government of where the dog is currently registered and providing the registration is current, it can be transferred.
- To register a dog you must be over the age of 18.
- Registration is there to help you recover your dog if lost and also to assist the ranger in finding its home.
- If you would like to register more than two dogs at one property, you will need approval from the Shire of Katanning.

Microchipping

- State Government regulations state that your dog **MUST** be microchipped at three months. Failure to do so will make you liable for a fine of \$200.
- This is a permanent way to identify the dog and its owner.

Registration Fees 2018/2019

Dog registrations expire on 31 October every year.

General	Sterilised	Unsterilised
One Year	\$20.00	\$50.00

28082 Great Southern Highway, Katanning
9821 1655

Dangerous Dog Breeds

- If your dog is declared as a dangerous dog, it must wear a muzzle and be on a lead in **ALL** public places.
- The dog must wear a specific collar stating that they are a dangerous dog.
- All access points into the property, in which the dog stays, must have a dangerous dog sign in place.
- The property where the dog stays must have a escape proof fence which has a self closing mechanism.

How to prevent excessive barking

- If the dog is barking at people it can see passing by, try blocking the dogs view.
- A radio playing softly may block any noise which the dog is barking at.
- If the dog races along the fence line barking at passing distractions, put obstacles in the dogs way to slow it down.
- If the dog is barking at gaps in the fence, try blocking the gaps.
- If your dog barks at certain times of the day, for instance when kids are walking home from school, put them in a different part of the yard so they are not distracted.
