THE BACKLOT HOYTS

Internationally Acclaimed Independent Film

The Decadent and The Depraved Set For Australian Theatrical Season

Multi-award-winning independent film The Decadent and Depraved is set to launch a public theatrical season in partnership with The Backlot Cinemas in Perth.

The debut production from 21 year old director and producer Jordon Prince-Wright has already taken the International Film Festival market by storm, winning Best Independent

Feature Film at the Los Angeles Film Awards, plus multiple other awards at festivals around the world.

The success enjoyed by *The Decadent and Depraved* has led to a huge swell of social media support and public demand to see the film. This opportunity will now be afforded to fans as the film launches a limited 10-day season at The Backlot Perth from October 12, before a block of screenings in Melbourne, Sydney and regional WA, including Katanning where Katanning's very own talented actor Mitchell Page will be present amongst other lead actors from the film.

Perth – The Backlot Perth

October 12 - 21

Broome – Sun Pictures

October 27 & 28

Melbourne – Hoyts Highpoint

November 3 & 4

Sydney – Hoyts Entertainment Quarter

November 9 & 10

Katanning – Katanning Town Hall

November 17

Made on a shoe-string budget of less than \$100,000, *The Decadent and the Depraved* was completed with no significant industry funding. The production is the result of a collaboration of local creatives who came together to bring Prince-Wright's vision to cinematic reality. The result is a visually stunning film telling a gritty, old western tale of a game of cat and mouse set in colonial times in outback Western Australia.

Prince-Wright is excited to bring his film to Australian audiences. "It has been a long journey from pre- production to now. We set out to transform Western Australia's gritty western-style past into a feature film. Watching the original western flicks as kids, our aim was to preserve the traditional filmmaking approach as much as possible," he explained. "Whilst *The Decadent and Depraved* pays homage to both the traditional Western film and the true history of our state in the 1880s, it also pushes the boundaries of both the genre and 'historical accuracy' to create something unique and riveting."

Tickets for all screenings can be purchased online via the following link:

Welcome Precinct

The Welcome Precinct and All Ages Playground Request for Tender is underway. Tenders have been called to seek responses from contractors to undertake the works to construct the new All Ages Playground and Lions Park (Welcome Precinct). The tender is a public tender being conducted through Tenderlink and will close on 14 November 2018. Once Council confirms a contractor works will begin, firstly on the All Ages Playground and then, after Australia Day, on the Lions Park. Work has already commenced on a new toilet block including a Changing Places facility. The current All Ages Playground carpark will remain open so that access to the miniature railway can be maintained throughout construction. Once the Lions Park and expanded skatepark have been completed access to the miniature railway will be established from the skatepark carpark and the work on the AAPG carpark will commence. The programme of works is scheduled to take approximately 7 months.

In response to the Shire's request for community groups to relocate the children's play equipment from the All Ages Playground to Prosser Park I am pleased to confirm that the

Katanning Volunteer Fire & Rescue Service has put their hand up and will be commencing this operation later in November.

Ranger Information

Reminder on various issues

[Dog and Cat Registration](#)

All dogs and cats over the age of three months are required by law to be registered and microchipped. This makes it easier to return pets to their rightful owners and negates the need to impound them. This will not only save additional costs and charges to the owners but also means your pets are returned home.

Wandering Dogs

Wandering dogs will be impounded and where the owner is identified, and it is a continuing offence a \$200 infringement under the Dog Act may be issued. The law requires all dogs to be securely confined on private property.

Dogs in Residential Areas

The Dog Act Amendment Bill of 2013 now allows the keeping of more than 2 dogs in residential areas, however permission from the Shire must be obtained, failure to do so may result in infringement notices being issued or in the case of continual failure to comply a prosecution may be commenced.

Dogs in Public Place

All dogs in a public place that is not a designated dog exercise area must be on a leash at all times, this prevents dogs from causing traffic hazards, dog attacks and other nuisance issues, again there are penalties that apply for failing to comply.

Attacks by Wandering Dogs

Every year, sheep, goats and other animals suffer injury after attacks by wandering domestic dogs. This causes both financial loss and emotional distress to livestock owners. Most attacks can be avoided if owners properly manage their dogs and stop them from wandering. Dog owners can be fined up to \$10,000 if their dog attacks. Livestock owners are permitted to destroy or capture any dogs they observe attacking livestock on their land.

Litter Bins

The Shire has installed litter bins throughout the town centre and this is to keep the street scaping free from rubbish and enhance the attractive appearance of our town. There are penalties applicable under the Litter Act for littering and the Ranger will be active in ensuring compliance.

House Numbers to be Displayed

Many residents still do not display house numbers. This makes it difficult to identify who lives at the property when dealing with enquiries and other matters. More importantly in an emergency situation where time is critical, emergency services such as police, fire and ambulance may make a big difference in outcomes.

Disabled Parking Bays

The use of disabled parking bays by those who are not authorised to use them has increased notably. Cautions will no longer be issued, and unlawful use may result in a \$300 parking infringement notice being issued.

How to contact the Ranger

If anyone has seen or have been in any situations regarding dogs or cats please inform the Ranger through the correct channels as messaging/posting through different facebook pages/groups and other such social media platforms will not help in providing the correct services.

Please contact the Ranger directly through the Shire of Katanning on 0409 891 645 or our after hours services on 9821 9999 and/or email at admin@katanning.wa.gov.au

These issues are important to us so please help us help you through any of these matters.

Talking about: Aunt Julia and the Script Writer

Mario Vargas Llosa's brilliant, multilayered novel is set in the Lima of the author's youth, where a young student named Marito is toiling away in the news department of a local radio station. His young life is disrupted by two arrivals.

The first is his aunt Julia, recently divorced and thirteen years older, with whom he begins a secret affair. The second is a manic radio scriptwriter named Pedro Camacho, whose racy, vituperative soap operas are holding the city's listeners in thrall. Pedro chooses young Marito to be his confidant as he slowly goes insane.

Interweaving the story of Marito's life with the ever-more-fevered tales of Pedro Camacho, Vargas Llosa's novel is masterfully done, hilarious, mischievous, a classic named one of the best books of the year by the New York Times Book Review.

No time to read, listen to an Audio instead. They are perfect for long drives. Audios that have just arrived...
