## **Open Burning Season**

**From Wednesday 1 May 2019 the Shire will be in the open burning season.**

**This means you can now burn without a Permit.**

**Please consider weather conditions , wind strength, neighbours and smoke impacting roads when burning, as you are responsible for any fire you light, even outside the permit season.**

**It is still fairly dry with a number of burns escaping already. Please note burning can not take place if the Fire Danger Rating is VERY HIGH or above.**

**If its determined at any time that forecast weather could cause a concern with burning the Shire may restrict burning again. This would be done similar to what occurred last May with strong wind and little to no rain was forecast when the Albany fires occurred. If this is implemented the information will be distributed through social media sites and radio.**

**If you are burning and the fire escapes please call Triple 000**

**If you require further information please contact Cindy Pearce

## KATANNING SKATE PARK UPGRADE

Local skate enthusiasts have been hard at work with Skate Sculpture and Plan E Landscape Architects to design an exciting expansion and upgrading of the Katanning Skate Park as part of the All Ages Playground redevelopment.

In preparation for the works the Skate Park is now closed and is anticipated to reopen by September 2019.

The greatly anticipated new Skate Park, located on the corner of Clive Street and Albion Street, will be extended to the street line with a variety of obstacles and elements that go beyond the traditional style, incorporating features such as parkour areas. Kids will have the chance to increase their skating skills with the addition of different sized ledges, rails and half pipes.

The upgrades are expected to bring yet another dimension of multigenerational opportunity to the precinct and encourage youths to get more involved in physical activity.

Katanning Shire President Cr Liz Guidera said *“Young people need things to do and places where they are free to be themselves within our town. The new Katanning Skate Park will provide a safe environment for skateboarding and a place for youths to socialise and be active.”*

For further information please contact the Shire of Katanning on 9821 9999.
