KATANNING HARMONY FESTIVAL SURVEY

Scan the QR code and answer the survey questions to go in the draw to win \$100.00

ABOUT KATANNING HARMONY FESTIVAL

The Katanning Harmony Festival celebrates cultural diversity in a highly atmospheric event where community members and visitors are given the opportunity to experience and or participate in a parade, music, dance, performances, and demonstrations in a colorful, meaningful and transformative festival.

The Katanning Harmony Festival was established in 2009 to bring the community together and break down cultural barriers. With over 45 nationalities calling Katanning home, this remains an important aspect of the festival as over 70% of what visitors experience is locally grown making our festival truly unique.

The 2020 festival's theme is 'Making Connections'.
