EDWARDS, Adrian

For the last 40 years I have run my own successful business in Katanning but have now sold it and have the time to devote to the work required to be an effective councillor.

I have lived in Katanning for 67 years and I think I have the energy and knowledge to help Katanning grow. We have good infrastructure, amenities and employment opportunities, but need people to support our schools, sporting facilities and local businesses.

There are a number of issues that need to be addressed - most notably having a Maternity Ward back at the Katanning Hospital; more doctors; and road and footpath maintenance.

My wife Barbara and I have raised our 3 children in Katanning and consider it a great place to live, and I would encourage you to vote in the coming council elections.
