Nominating for	Councillor for Shire of Katanning

Enrolment status	COLE, Paula is eligible to stand for election as a resident of the Shire of Katanning.

I have been a resident of Katanning for over 24 years and have raised my 5 children here, who still have connections to the town. I am also a grandmother of 5

Before starting my business in the Security industry, I had worked in the Government sector for a number of years, these include Dept of Housing, Dept of Child Protection, WACHS (Western Australia Country Health Service) as a Liaison Officer, Great Southern Aboriginal Health Service as Executive Officer.

As a rate payer and owner of 2 Security Companies, I have seen the struggles we all face.

I believe we can together make Katanning a safe, secure environment for us all to enjoy. I also firmly believe that Katanning has a very bright future.

As your councillor, I will represent YOUR wishes and work for what is right for our community
