

Katanning Shire Matters

July 2021

PRESIDENT'S UPDATE

The Shire of Katanning on behalf of our community are very happy to announce that we have received correspondence this week from the Minister for Regional Development, Alannah MacTiernan MLC, for a variation to the Financial Assistance Agreement between the State Government and the Shire for the delivery of the \$5.7 million **Katanning Early Childhood Hub Project**.

This is the news we have been waiting for to re-start this Community project.

Included will be:

- A Community Day-care Facility.
- Office Space for child and family support services, reduced in size to the original design.
- Car Parking and Landscaping.

The Shire will now re-engage stakeholders and review the design of the building to ensure the Katanning community has a facility fit for purpose both now and for the future.

Thankyou to everyone for their patience it has been a long haul, the hard work begins again to ensure we have a fantastic Community Hub that we hope to open in 2023.

Shire President,
Liz Guidera

SHIRE NOTICES

Storm Proof Your Roof

There are a handful of helpful and preventative steps from the Department of Fire and Emergency Services (DFES) that can help keep your family safe, minimise damage to your home and free up SES volunteers to attend to more serious incidents.

Here are a few things you can do to prepare your home and families for storms:

- Trim branches to prevent them falling on your roof or car.
- Remove unused aerials and satellite dishes.
- Check and replace cracked, damaged or loose tiles.
- Clear gutters and downpipes of leaves and blockages.
- Have tarps and ropes on hand if needed.
