Heart of the Great Southern

# ANNUAL REPORT

2020 - 2021

The background of the entire page is a photograph of a sunset over a body of water. The sky is filled with vibrant orange and yellow clouds, reflecting on the water's surface. In the distance, a line of dark trees is visible. In the lower-left foreground, there is a graphic element consisting of a thick yellow dashed line that curves into a heart shape. A red location pin is placed on the right side of the heart, pointing towards the water.

## President's Report

---

It is my pleasure to present to you the Shire of Katanning's 2020 - 2021 Annual Report, which provides an overview of our activities for the year. This year again presented many challenges living in Rural Western Australia. The Shire as an organisation has proved itself adaptable and resilient in providing services for our community during times of adversity.

These values are promoted by our Chief Executive Officer Julian Murphy, he continues to work with and for our Shire. Having completed a 5-year contract in August 2020, Mr Murphy signed a second 3-year contract to continue working with us at the Shire of Katanning. Julian's dedication to the task of leading our Shire continues to ensure the best possible outcomes for the residents and ratepayers are the goal for our organisation.

The Councillors for the Annual Report period have been dedicated to the wellbeing and development of our community, each one of them: Owen, Kristy, Ernie, Serena, Martin, Danny and Mark are fantastic community members and bring a broad range of interests and knowledge to the decision-making table. Thank you for your valuable contribution to our community. Special thanks to Deputy President John Goodheart for the continued support and dedication to his role which has assisted me greatly as President.

This year has again been one of activity and achievement in Katanning. We acknowledge all the Staff at the Shire of Katanning, the local organisations and businesses and the volunteers who contribute to the vibrancy and liveability of our community. On behalf of Council, I thank you for your contribution and commitment.

Cr Liz Guidera  
**PRESIDENT**

## Chief Executive Officer's Report

The Shire of Katanning continued to make steady progress throughout the past year despite the many challenges faced in our everchanging environment.

The Shire completed or made significant progress on a number of major projects throughout the year:

- Completion of the renovation of the old Shire Office to provide meeting facilities for seniors and medical consulting rooms.
- Upgrades to footpaths and streetscapes in Austral Terrace and Clive Street.
- Construction of new toilets and facilities at Piesse Park.
- Completion of the Piesse Lake residential subdivision including the construction of seven new houses.

This year a number of significant events were held which brought together our local community:

- The Katanning Harmony Festival which celebrates diversity and community cohesion.
- Katanning Agricultural Show run by the very hard working volunteers from the Katanning Agricultural Society which is supported and sponsored by the Council.
- The Opera in the Park held in March 2021 at the newly constructed stage at Piesse Park Amphitheatre brought an ensemble cast from WA Opera to Katanning sponsored by Australia's South West, Great Southern Development Commission and the Shire of Katanning.

I would like to thank all of our staff who participated in the organisation and running of these events.

We continued to work closely with the Katanning Hub CRC and the Katanning Regional Business Association to deliver a number of joint initiatives including capacity building in business, tourism and marketing.

Significantly the Shire of Katanning undertook a Destination Development and Brand Story project which saw the development of new branding for Katanning as part of the implementation of the Katanning Tourism Strategy. The 'Meet Me in Katanning' branding builds on Katanning's 'Timeless Stories' brand essence. The new branding is available to all local businesses and

community groups to help tell the story of Katanning through social media and advertising. The key deliverables for the project included the creation of a new website landing page [www.visitkatanning.com.au](http://www.visitkatanning.com.au), new photographic images representing the essence of Katanning and its people, and new branding.

This year we welcomed Denise Gobbart to the position of Executive Manager Corporate and Community and Sam Bryce to the position of Executive Manager Infrastructure and Assets. Both Denise and Sam bring with them many years of experience to their roles, and I would like to thank

them for the professional manner in which they have managed their departments and the positive changes they have made this year.

I would also like to extend my thanks to all Shire Staff for the hard work throughout the year and also thank the President and Council for their continued support of me and the Staff.

Julian Murphy  
CHIEF EXECUTIVE OFFICER

## Katanning in Brief

---

The Shire of Katanning is located in the Upper Great Southern Region of Western Australia approximately three hours' drive southeast of Perth.

Katanning is a vibrant country community founded on rural industries.

Katanning provides a range of services to meet the community's needs including education, health, recreation facilities and affordable land and housing.

## Vision and Values

---

### Our Vision

Our vision for Katanning is to create - A prosperous, vibrant and diverse community working together.

### Our Values

#### LEADERSHIP AND ACCOUNTABILITY

We will be ethical and act with integrity. We will lead by example, set direction, provide good governance and be responsive to our community.

#### COLLABORATION

We will work as a team, creating partnerships to achieve our vision.

#### INCLUSIVE & REPRESENTATIVE

We will engage with our community to ensure our actions are representative of our community's needs and values.

#### RESPECT

We will be respectful of people, ideas, culture and environment.

#### SAFETY

We will work together to establish and sustain a strong, safe and healthy community.

## About Council

The council of the Shire of Katanning consists of nine elected members. Councillors are elected for a four-year term, with half of their terms expiring every two years.

Local government ordinary elections are held on the third Saturday in October every two years. The next local government ordinary elections will be held on 16 October 2021. At the 2021 elections the Shire of Katanning will reduce the number of elected members from 9 to 7.

## Organisational Structure

---

## Council Highlights, Events and Milestones

---

### July 2020

#### Council Highlights

At the July Ordinary Council Meeting, Council approved licence agreements for Katanning Town Hall with the Katanning Dramatic Society and the Katanning Community Cinema Inc. A new policy for Financial Hardship (Rate Relief) was approved and council agreed to sell property on Dore Street to Katanning Environmental Inc for the purposes of developing a packing shed on the site which is now used as a Containers for Change refund point.

#### Community Highlights

With the easing of COVID-19 restrictions in June 2020, a variety of school holiday workshops and activities were able to be held at the Katanning Leisure Centre, Library and Town Hall. A two-day barista course that was held as part of the Shire of Katanning Youth Services, was a great success for youth of Katanning.

### August 2020

#### Council Highlights

Council adopted the 2020-2021 Annual Budget for the Shire of Katanning at the August Ordinary Council Meeting. The Rates Incentive Prize was approved which offered ratepayers the chance to win one of five \$1,000 Katanning Regional Business Association vouchers for paying all rates and charges appearing on the rate notice including arrears in full within 35 days of issue of the rates assessment notice.

At the same meeting, Council received the Shire of Katanning Workforce Plan which was developed to support the delivery of the Corporate Business Plan.

#### Community Highlights

The Katanning Art Gallery Exhibition showcased art and engineering pieces created by Katanning Youth in Isolation. The annual two-day WA Sheep Expo and Ram Sale was held by the Great Southern Merino Sheep Breeders Association.

## September 2020

### Council Highlights

At the September Ordinary Council Meeting, Council granted Katanning Senior High School access to the Katanning Town Hall to facilitate the delivery of a Certificate II in Hospitality Course and a pop-up café for one day a week in the 2021 Academic Year. Council also agreed to recommence the Katanning Early Childhood Hub Project.

### Community Highlights

The Katanning Dramatic Society performed several shows of *Drinking Habits* by award-winning playwright, Tom Smith, that were a great hit amongst the community. The comedy play had audiences laughing down the walls of the Katanning Town Hall.

## October 2020

### Council Highlights

At the October Ordinary Council Meeting, Council approved a development application for Holiday Accommodation on Warren Road, Katanning.

At the same meeting, Council moved to recommend to the Local Government Advisory Board for implementation at the 2021 local government elections to reduce the number of offices of councillor for the Shire of Katanning from nine (9) to seven (7); that the no wards system be maintained; and as near as half the number of offices of councillor (three (3)) be elected at the 2021 local government elections.

### Community Highlights

The WAMMCO International 129<sup>th</sup> Katanning Agricultural Show went on to be a very successful event, keeping in line with the COVID-19 restrictions. The event was organised by the Katanning Agricultural Society and people came from all over the state, with some guests even coming from as far as Geraldton, making the event a great highlight of the year.

## November 2020

### Council Highlights

At the November Ordinary Council Meeting, Council approved adding the Mobile Food Trailer Hire Fees to the Fees & Charges which allowed for the trailer to be used by the community effective 14 December 2020. Prior to the meeting, five lucky winners of the Rates Incentive Prize were awarded vouchers valued at \$1,000 each by the Shire President for paying their rates in full by the due date.

### Community Highlights

The Shire launched its new mobile community food trailer on Wednesday 4 November 2020. The trailer provides local businesses and community groups easy access to a resource that supports them to successfully grow new food businesses in town.

There was a special Commemoration to Noel Crouch at the Katanning Remembrance Service on Wednesday 11 November 2020, hosted by Graham Edwards, FMR 7<sup>th</sup> Battalion Royal Australian Regiment and a former Katanning resident together with the Shire of Katanning. Members of Noel Crouch's Battalion, the 7<sup>th</sup> Battalion Royal Australian Regiment and members of his family attended the service.

## December 2020

### Council Highlights

Each year, Council set aside funds in the annual budget to support local community initiatives. At the Ordinary Council Meeting held in December, Council considered the 2020/2021 Community Grants Program applications and resolved to support the following groups:

- Anglican Parish of St Andrew's Katanning (Auspice by The Bunbury Diocesan Trustees) for Repairs at St Andrew's Church and Hall Katanning
- Katanning & Districts Pool Association Inc for one Air-Conditioner
- Katanning Historical Society for restoration and maintenance of the Katanning Historical Society buildings

### Community Highlights

The Shire held a luncheon for the Thank a Volunteer Day Awards held at the Katanning Town Hall. Later in the month the annual Christmas Lunch for Seniors was held at the Katanning Leisure Centre and that evening the Christmas on Clive Committee held the first of two weekly Twilight Markets.

## January 2021

### Community Highlights

Summer school holiday programs began around town with activities such as mini golf, ice-cream making, fluoro roller disco (rollerblading), sculpting, free passes to the Katanning Aquatic Centre and more.

The Katanning community came together for a free barbeque breakfast put on by the Lions Club of Katanning on Tuesday 26 January 2021 at the Lions Park. The formal proceedings were hosted by Shire President Liz Guidera. Residents received their Australian Citizenship and presentations were made to announce the winners of the Citizen of the Year and Community Long Service Awards followed by Guest Speaker and Australia Day Ambassador, Grace Mugabe.

## February 2021

### Council Highlights

At the Ordinary Council Meeting held in February, Council agreed to lease the property at 19 Charles Street, Katanning to Katanning's Piesse Park Community Inc (Friends of Piesse Park). At the same meeting, Council agreed to the submission of the proposed 'Building Community Capacity Project' grant application to Lotterywest and to include the Building Community Capacity Project funding in the 2021/2022 draft budget.

### Community Highlights

An exhibition of sculptures and paintings by Peter Hill called 'Hammered' were on display at Katanning Gallery for the duration of the month. The annual Concert in the Park was postponed to September 2021 due to COVID restrictions preventing the talent from being able to get to Katanning.

Fringe World performers, Dummies Corp. came to Katanning for their family-friendly circus show, Splash Test Dummies at Katanning Town Hall on Saturday 20 February 2021. Children were able to experience a circus workshop with the performers prior to the event. Adults and children alike enjoyed the brilliant array of catch-your-breath stunt work, acrobatics, juggling and the side-splitting, slapstick comedy.

## March 2021

### Council Highlights

At the March Ordinary Council Meeting, Katanning welcomed new Australian Citizens, the Penaverde Family and Shire President Liz Guidera presented Trevor Kowald with a Certificate of Appreciation for his support after the bushfire in February 2020.

Council agreed to work in partnership with the Katanning Noongar Leadership Group to develop a Reconciliation Action Plan using the 'Reflect' framework.

### Community Highlights

After the 2020 Katanning Harmony Festival was cancelled due to COVID, the community were very excited to see the event return to town. The festival was held on Clive Street for Friday Food Night on 12 March 2021 and moved to Austral Terrace for the main event on Saturday 13 March 2021 to allow for the new COVID event and safety restrictions. The event was a great success and visitors gave feedback that they loved the new location.

The Shire of Katanning was awarded the Local Government Award at the 2021 Western Australian Multicultural Awards held at Optus Stadium on Thursday 18 March 2021. The awards provide an opportunity for the Office of Multicultural Interests to acknowledge and celebrate the achievements of Western Australians who have accomplished outstanding work in advancing multiculturalism. The Shire of Katanning was acknowledged for showing a fundamental and sustained commitment to inclusivity and participation, which has been recognised at the national level.

The month of March proved to be very eventful, ending with Opera in Katanning. Performers from the West Australian Opera sang under the stars to locals and visitors from across the state at the first show on the new stage at the Piesse Park Amphitheatre. The event was a part of Taste Great Southern and guests could purchase a gourmet Great Southern produce hamper and wine with their tickets.

## April 2021

### Council Highlights

At the Ordinary Council Meeting for April, Council appointed 21 persons as Fire Control Officers in accordance with the Bush Fires Act 1954. Council accepted the invitation to become a full member of the Southern Link Voluntary Regional Organisation of Councils (VROC).

### Community Highlights

The Katanning Skate Park came alive with local and professional skaters for the Katanning Youth Week Skate Event on 15 April 2021. The Shire of Katanning, Skate Sculpture, local businesses, and clubs all came together to put on a fantastic evening for all with giveaways, fun music, food and a skate deck painting workshop.

## May 2021

### Council Highlights

At the May Ordinary Council Meeting, Council adopted the Code of Conduct Behaviour Complaints Management Policy and established the Behaviour Complaints Committee in accordance with the terms of reference.

### Community Highlights

Katanning's Destination Brand Story for Visit Katanning / Meet Me in Katanning was launched at the Katanning Club and Hit FM Southwest came to Katanning after the town won a social media poll for their regional tour.

## June 2021

### Council Highlights

At the Ordinary Council Meeting for June, Shire President Liz Guidera presented the Wanderers Football Club President Michael Kowald and Secretary Georgia Kowald a signed Charter recognising the contribution of the Wanderers Football Club to the Katanning Leisure and Function Centre, Sprig Bar and external facilities over the last 20 years and the significant contribution that the Shire of Katanning makes to the facility. At the same meeting, Council endorsed new opening times for the Shire Administration and Civic Centre to be 8:30am – 4:30pm from Monday to Friday.

### Community Highlights

Albany artist Chelsea Hopkins-Allan presented MOTH, an exhibition of paintings of these elusive and little understood insect creatures at Katanning Gallery.

## Grants

<b>TOTAL</b>	<b>\$9,673,085</b>

## Major Assets

### Katanning Saleyards

2020/21 Actual		2020/21 Budget		2019/20 Actual	
Revenue	Expenditure	Revenue	Expenditure	Revenue	Expenditure
\$761,188	\$1,418,947	\$741,050	\$1,372,065	\$991,233	\$1,547,785

Whilst sheep numbers were down on previous years, revenue from yarding fees and truck wash charges exceeded budget expectations. Expenditure was higher than budget forecasts driven mainly by additional staff costs associated with maintenance and cleaning of the saleyards and facilities.

### Katanning Leisure Centre

2020/21 Actual		2020/21 Budget		2019/20 Actual	
Revenue	Expenditure	Revenue	Expenditure	Revenue	Expenditure
\$312,773	\$1,564,786	\$250,372	\$1,596,782	\$286,644	\$1,581,398

A slow return from COVID-19 within the first quarter of 2020/21, due to restrictions imposed by the State Government. Income increased within the second half of the year significantly due to the return of indoor sports associations to full operating capacity, and a number of Functions being able to run within Phase 4 and Phase 5 of COVID-19 restrictions, this assisted with a reduced operating expenditure.

## Road Infrastructure

Council considers spending on road infrastructure on an annual basis during the Budget deliberations.

Funds are contributed by Council and external sources such as the Regional Road Group and Roads to Recovery.

ROAD AND WORK COMPLETED	2020/21 ACTUAL	2020/21 BUDGET
Kowald Road – resheet	10,170	10,170
Warren Road – stabilise, widen, reseal	189,881	193,050
Warren Road – widen & reseal 7m	83,195	81,600
Clive Street – repair, resurface with asphalt	24,089	54,600
Creek Street – repair, resurface, chip seal	15,158	34,800
Fairfield Road – widening, drainage & repair sealed edges	145,713	168,000
Wolyaming Road – resheet 7.5km	196,416	130,000
Langaweira Road – shoulder reconstruction 6.9km	160,817	100,368
Onslow Road – resheet 1.4km	54,096	35,000
Lake Coyrecup – resheet 5.7km	164,983	165,000
Council Roads - Coate Street (Carew St to Conroy St) – drainage & seal	16,792	80,000
Special Projects - Various re-sheets & repairs	89,259	139,830
<b>TOTAL</b>	<b>\$1,150,569</b>	<b>\$1,192,418</b>

## Community Grants Program

Each year the Shire of Katanning allocates an amount of funds within the budget to provide financial support to community organisations that meet the objectives of the Community Grants Program (CGP).

The Shire of Katanning is committed to recognising the value of all community organisations and has developed a clear and powerful vision of “Together we are building Katanning’s future”.

There are three CGP categories that are available to community organisations:

- Minor community grant under \$5,000 (ex GST)
- Major community grant over \$5,000 (ex GST)
- Triennium community grant (Minor and Major available)

The Community Grants Program application period is open each financial year from the beginning of October and closes at the end of November with funding announced following approval by Council in December. A second round of funding may be held at a later date, if further budgeted funds remain available.

In 2020/21, Council budgeted \$25,000 for the Community Grants Program. The first round awarded \$15,650.00 ex GST to local community groups and a second round for the remaining funds was opened in February and March 2021. The second round had no applicants.

The following donations were awarded in the 2020/21 financial year:

Round 1	Recipient	Purpose
\$3,000.00 ex GST	The Anglican Parish of St Andrew’s Katanning (Auspice by The Bunbury Diocesan Trustees)	Partial funds towards the Repairs at St Andrew’s Church and Hall Katanning Project
\$2,650.00 ex GST	Katanning & Districts Pool Association Inc	Install and supply of Air-Conditioner
\$10,000.00 ex GST	Katanning Historical Society	Restore and maintain the Katanning Historical Society Buildings Project

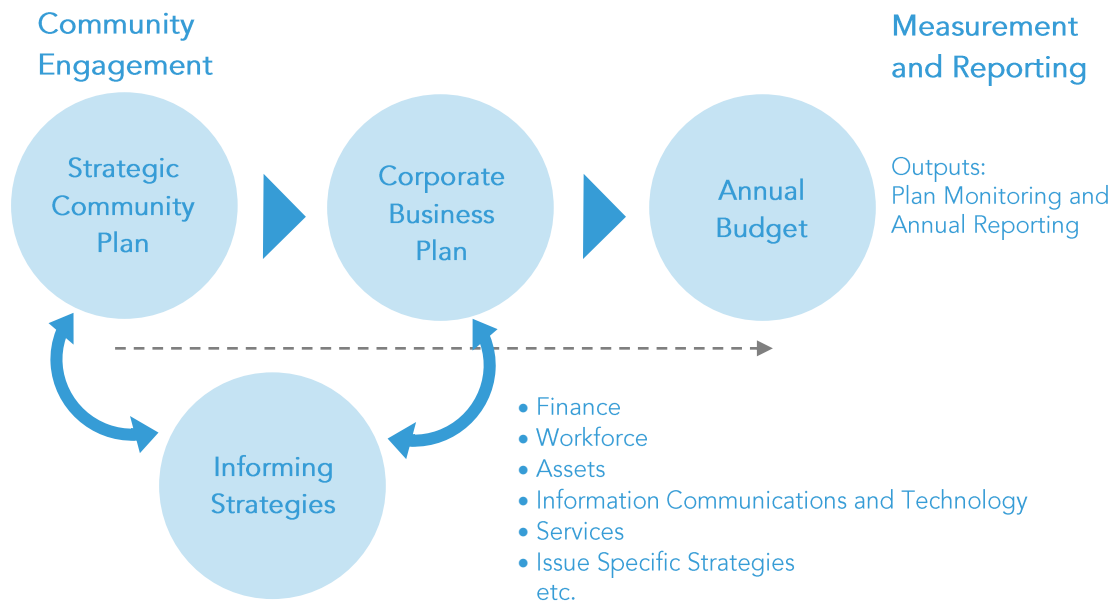

## Strategic Community Plan

In 2010, the Western Australian State Government introduced legislation requiring Local Governments to prepare an Integrated Planning and Reporting (IPR) Framework by June 2013. Integrated planning ensures that Councils Strategic Plan reflect the community aspirations, visions, and priorities of the district.

The Shire consulted widely with the community to produce the Strategic Community Plan and other plans within the IPR Framework.

The diagram below highlights the components of the framework:

### Elements of Integrated Planning and Reporting Framework

In accordance with the legislation and following extensive community input, Council adopted its Strategic Community Plan in November 2017.

The plan is Council's principal planning and strategy document, which means that it governs all of the works that the Shire undertakes, either through direct services delivered, partnership arrangements, or advocacy on behalf of the community.

In accordance with the legislations, Council is required to report to the community annually its progress towards achieving the objectives.

***Our Vision - "A prosperous, vibrant and diverse community working together"***

In partnership with Council the community has developed a clear and powerful vision to build the future of Katanning based on an evolution of growth and progression. The Shire of Katanning will embrace its Aboriginal, agricultural, multicultural, and built heritage as it moves forward as a cohesive community seeking investment in economic, environmental and social infrastructure. Our aim is to achieve self-supporting growth and recognition as the inland heart of the Great Southern.

## Corporate Business Plan – Annual Highlights

# Compliance

---

## National Competition Policy

This policy was introduced by the Commonwealth Government in 1995 to promote competition for the benefit of business, consumers and the economy by removing unnecessary protection of monopolies of markets where completion can be enhanced. It affects local government as factors such as exemption from company and income tax or possible local regulations and laws may give local government a potential advantage over private contractors.

In respect to Council's responsibilities in relation to the National Competition Policy the Shire reports as follows:

- No business enterprise of the Shire of Katanning has been classified by the Australian Bureau of Statistics as either a Public Trading Enterprise or a Public Financial Enterprise.
- Competitive neutrality has not applied to any activities undertaken by the Shire in this reporting period.
- No allegations of non-compliance with the competitive neutrality principles have been made by any private entity.
- The principles of competitive neutrality will be implemented in respect of any relevant activity undertaken during the next financial reporting period.

## Freedom of Information

In complying with the *Freedom of Information Act 1992*, the Shire of Katanning is required to prepare and publish an information statement.

The Shire of Katanning's Information Statement is reviewed annually and is available via Council's website or at the Shire administration office. The information statement contains information on the type of documents available to the public and how to access those documents.

1 Freedom of Information enquiry was processed during the 2020-2021 period.

## State Records Act

The *State Records Act 2000* requires the Shire maintains and disposes of all records in the prescribed manner.

Principle 6 – Compliance: Government Organisations ensure their employees comply with the record keeping plan.

Rationale: An organisation and its employees must comply with the organisation's record keeping plan. Organisations should develop and implement strategies for ensuring that each employee is aware of the compliance responsibilities.

### Minimum Compliance Requirements:

The record keeping plan is to provide evidence to adduce that:

1. The efficiency and effectiveness of the organisation's record keeping system is evaluated not less than once every 5 years.
2. The organisation conducts a record keeping training program.

3. The efficiency and effectiveness of the record keeping training program is reviewed from time to time.
4. The organisation's induction program addresses employee roles and responsibilities in regard to their compliance with the organisation's record keeping plan.

The Shire has complied with Items 1 to 4.

## Disability Access and Inclusion Plan (DAIP)

All Western Australian Local Government Authorities are required to develop and implement Disability Access and Inclusion Plans in accordance with the Disability Services Act (1993) to ensure people with disability have the same opportunity as others to access council services, facilities, information, employment and civic participation. The Shire of Katanning offers many services that ensure the community is inclusive of people with disability and their families.

People with disabilities represent a significant section of the Katanning community. According to the Disability Services Commission (Disability Services Commission website, 2004) the number of people living in the Shire of Katanning who have a disability is 17.8% of the total population. This represents almost one in five people or approximately 900 people. Given that Katanning is also a regional service provider for the Shire's of Broomehill, Woodanilling, Dumbleyung, Kojonup, Gnowangerup, and Kent it can be estimated that the number of people with Disabilities for whom the Shire of Katanning provides services and facilities is significantly higher than 1000.

The vast majority of people with a disability (or disabilities) live in the community. It is therefore important that they have the same opportunities and choices as other people to participate in community life.

Given the broad range of services provided to its communities, Local Government plays a vital role in the lives of people with disabilities, their carers and families.

In 2020-2021 the following Shire initiatives contributed towards the Achievement for the DAIP outcomes:

- The Disability Access & Inclusion Group met regularly for a period of 6 months, a number of engagement activities were undertaken such as a recreation inclusion project.
- The Shire held an Opera in Katanning event that was at an outdoor grassed amphitheatre. The event entrance was positioned at a place with smooth footpaths so those with low mobility or in a wheelchair, were able to easily enter the area. A dedicated staff member was made available at the beginning of the event to assist with escorting anyone who needed help getting to the audience area.
- Hi vis strips that were painted on the steps of Quartermaine Oval in 2019 were painted again.
- Quartermaine Oval also received an extension to their concreted car park which allows easier access to people with disabilities into the Sprig Bar and other facilities.
- The library moved shelving and equipment to ensure all areas are wheelchair/gopher accessible, this included the circulation desk and program space.
- Paving outside the library has been lifted and re-laid to provide a smooth surface for better access to the library.
- Clive Street footpath upgrades have included new ramps and tactile markers.

- Where possible, all posters and photos on the latest news or upcoming events section on the Shire's website and Facebook were given alternative text image descriptions so that someone using the voiceover function on a smartphone or computer, were still able to access the content.
- All Shire facilities opening hours, contact information, gym classes, newsletters etc. were available via hardcopy (at KLC, Admin Building & Library) and on the Shire website and social media which have online accessibility functions.
- Katanning Public Library continued to have trolleys provided for those that require extra support, including physical support by staff. Ensure our patrons with disabilities (visual impairment & physical impairment) are supported to access resources.
- New computer stations in the Library have been made accessible for all.
- All forms were made accessible through Shire facilities, including hard copies and offered in alternative text and fonts. Staff also assist people with disabilities to fill out their forms if they are unable to do so themselves, all forms were available at the 6 weekly DAIP meetings.
- Information on Council facilities, functions and services uses clear and concise language. This includes information to be written clearly and in plain English.
- Information is provided in alternative formats such as large print, electronic format, audio on request.
- Council supported people with a disability to attend Public Ordinary Council Meetings.
- All advertisements to employ new staff include an equal opportunity statement which explains the Shire is aligned with the Equal Opportunity Act 1984 and actively promotes equal employment opportunity based solely on merit to ensure that discrimination does not occur on the grounds of gender, age, marital status, pregnancy, race, disability, religion or political convictions

## Employee Remuneration Disclosure

Regulation 19B of the *Local Government (Administration) Regulation 1996* requires the Shire to include the following information in its Annual Report:

- The number of employees of the Shire entitles to an annual salary of \$130,000 or more; and
- The number of those employees with an annual salary entitlement that falls within each band of \$10,000 over \$130,000.

Set out below, in bands of \$10,000, is the number of employees of the Shire entitled to an annual salary of \$130,000 or more.

### Salary Range

\$ FROM	\$TO	NUMBER OF EMPLOYEES
130,000	139,999	1
140,000	149,999	0
150,000	159,999	1
160,000	169,999	0
170,000	179,999	0
180,000	189,999	1
<b>TOTAL</b>		<b>3</b>

## Public Interest Disclosures

*The Public Interest Disclosures Act 2003* facilitates the disclosure of public interest information and provides protection for those making such disclosure and those who are the subject of disclosures. The Act provides a system for the matters disclosed to be investigated and for appropriate action to be taken. The Chief Executive Officer has complied with all obligations under the Act including:

Appointing the Executive Manager Corporate and Community as the PID officer for the organisation and publishing an internal procedure relating to the Shire's obligation. Providing protection from detrimental action or the threat of detrimental action for an employee of the Shire who makes an appropriate disclosure of public interest information.

There were no Public Interest Disclosure requests received during the reporting period.

## Complaints Register

Section 5.121 of the *Local Government Act 1995* requires the Annual Report to contain details of the entries made in the Complaints Register regarding complaints made about elected members.

No complaints were lodged against elected members during the 2020-2021 period.

**SHIRE OF KATANNING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30 JUNE 2021**

**1. BASIS OF PREPARATION**

The financial report comprises general purpose financial statements which have been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board, and the *Local Government Act 1995* and accompanying regulations.

The *Local Government Act 1995* and accompanying Regulations take precedence over Australian Accounting Standards where they are inconsistent.

The *Local Government (Financial Management) Regulations 1996* specify that vested land is a right-of-use asset to be measured at cost. All right-of-use assets (other than vested improvements) under zero cost concessionary leases are measured at zero cost rather than at fair value. The exception is vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the Shire to measure any vested improvements at zero cost.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the at fair value of selected non-current assets, financial assets and liabilities.

**THE LOCAL GOVERNMENT REPORTING ENTITY**

All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies appears at Note 36 to these financial statements.

**INITIAL APPLICATION OF ACCOUNTING STANDARDS**

During the current year, the Shire adopted all of the new and revised Australian Accounting Standards and Interpretations which were compiled, became mandatory and which were applicable to its operations.

These were:

- AASB 1059 *Service Concession Arrangements: Grantors*
- AASB 2018-7 *Amendments to Australian Accounting Standards - Definition of Materiality*

The impact of adoption of these standards is described at Note 35.

**NEW ACCOUNTING STANDARDS FOR APPLICATION IN FUTURE YEARS**

The following new accounting standards will have application to local government in future years:

- AASB 2020-1 *Amendments to Australian Accounting Standards - Classification of Liabilities as Current or Non-current*
- AASB 2020-3 *Amendments to Australian Accounting Standards - Annual Improvements 2018-2020 and Other Amendments*
- AASB 2021-2 *Amendments to Australian Accounting Standards - Disclosure of Accounting Policies or Definition of Accounting Estimates*

It is not expected these standards will have an impact on the financial report.

**CRITICAL ACCOUNTING ESTIMATES**

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The balances, transactions and disclosures impacted by accounting estimates are as follows:

- Employee expenses
- Land held for resale
- Other financial assets
- Property, Plant and Equipment
- Infrastructure
- Intangible assets
- Right-of-use assets
- Lease liabilities
- Borrowing liabilities
- Provisions

# SHIRE OF KATANNING

## NOTES TO AND FORMING PART OF THE FINANCIAL REPORT

### FOR THE YEAR ENDED 30 JUNE 2021

#### 2. REVENUE AND EXPENSES

##### REVENUE RECOGNITION POLICY

Recognition of revenue is dependant on the source of revenue and the associated terms and conditions associated with each source of revenue and recognised as follows:

Revenue Category	Nature of goods and services	When obligations typically satisfied	Payment terms	Returns/Refunds/Warranties	Determination of transaction price	Allocating transaction price	Measuring obligations for returns	Timing of revenue recognition
Rates	General Rates	Over time	Payment dates adopted by Council during the year	None	Adopted by council annually	When taxable event occurs	Not applicable	When rates notice is issued
Grant contracts with customers	Community events, minor facilities, research, design, planning evaluation and services	Over time	Fixed terms transfer of funds based on agreed milestones and reporting	Contract obligation if project not complete	Set by mutual agreement with the customer	Based on the progress of works to match performance obligations	Returns limited to repayment of transaction price of terms breached	Output method based on project milestones and/or completion date matched to performance obligations as inputs are shared
Grants, subsidies or contributions for the construction of non-financial assets	Construction or acquisition of recognisable non-financial assets to be controlled by the local government	Over time	Fixed terms transfer of funds based on agreed milestones and reporting	Contract obligation if project not complete	Set by mutual agreement with the customer	Based on the progress of works to match performance obligations	Returns limited to repayment of transaction price of terms breached	Output method based on project milestones and/or completion date matched to performance obligations as inputs are shared
Grants with no contract commitments	General appropriations and contributions with no reciprocal commitment	No obligations	Not applicable	Not applicable	Cash received	On receipt of funds	Not applicable	When assets are controlled
Fees and Charges - Licences/ Registrations/ Approvals	Building, planning, development and animal management, having the same nature as a licence regardless of naming.	Single point in time	Full payment prior to issue	None	Set by State legislation or limited by legislation to the cost of provision	Based on timing of issue of the associated rights	No refunds	On payment and issue of the licence, registration or approval
Fees and Charges - Pool inspections	Compliance safety check	Single point in time	Equal proportion based on an equal annually fee	None	Set by State legislation	Apportioned equally across the inspection cycle	No refunds	After inspection complete based on a 4 year cycle
Fees and Charges - Other inspections	Regulatory Food, Health and Safety	Single point in time	Full payment prior to inspection	None	Set by State legislation or limited by legislation to the cost of provision	Applied fully on timing of inspection	Not applicable	Revenue recognised after inspection event occurs
Fees and Charges - Waste management collections	Kerbside collection service	Over time	Payment on an annual basis in advance	None	Adopted by council annually	Apportioned equally across the collection period	Not applicable	Output method based on regular weekly and fortnightly period as proportionate to collection service
Fees and Charges - Waste management entry fees	Waste treatment, recycling and disposal service at disposal sites	Single point in time	Payment in advance at gate or on normal trading terms if credit provided	None	Adopted by council annually	Based on timing of entry to facility	Not applicable	On entry to facility
Fees and Charges - Property hire and entry	Use of halls and facilities	Single point in time	In full in advance	Refund if event cancelled within 7 days	Adopted by council annually	Based on timing of entry to facility	Returns limited to repayment of transaction price	On entry or at conclusion of hire
Fees and Charges - Memberships	Gym and pool membership	Over time	Payment in full in advance	Refund for unused portion on application	Adopted by council annually	Apportioned equally across the access period	Returns limited to repayment of transaction price	Output method Over 12 months matched to access right
Fees and charges - For other goods and services	Cemetery services, library fees, reinstatements and private works	Single point in time	Payment in full in advance	None	Adopted by council annually	Applied fully based on timing of provision	Not applicable	Output method based on provision of service or completion of works
Fees and Charges - Sale of stock	Kiosk and visitor centre stock	Single point in time	In full in advance, on 15 day credit	Refund for faulty goods	Adopted by council annually, set by mutual agreement	Applied fully based on timing of provision	Returns limited to repayment of transaction price	Output method based on goods
Other Revenue - Sale of stock	Commissions on licencing and ticket sales	Over time	Payment in full on sale	None	Set by mutual agreement with the customer	On receipt of funds	Not applicable	When assets are controlled
Other Revenue - Reimbursements	Insurance claims	Single point in time	Payment in arrears for claimable event	None	Set by mutual agreement with the customer	When claim is agreed	Not applicable	When claim is agreed

There were no changes to the amounts of fees or charges detailed in the original budget.

**SIGNIFICANT ACCOUNTING POLICIES**

**Grants, subsidies and contributions**

Operating grants, subsidies and contributions are grants, subsidies or contributions that are not non-operating in nature.

Non-operating grants, subsidies and contributions are amounts received for the acquisition or construction of recognisable non-financial assets to be controlled by the local government.

**Fees and Charges**

Revenue (other than service charges) from the use of facilities and charges made for local government services, sewerage rates, rentals, hire charges, fee for service, photocopying charges, licences, sale of goods or information, fines, penalties and administration fees.

**SHIRE OF KATANNING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30 JUNE 2021**

**2. REVENUE AND EXPENSES (Continued)**

**(a) Revenue (Continued)**

**Contracts with customers and transfers  
for recognisable non-financial assets**

Revenue from contracts with customers and transfers to enable the acquisition or construction of recognisable non-financial assets to be controlled by the Shire was recognised during the year for the following nature or types of goods or services:

	2021 Actual \$	2021 Budget \$	2020 Actual \$
Fees and charges	1,898,321	1,726,003	274,946
Other revenue	366,462	381,991	0
Non-operating grants, subsidies and contributions	7,065,319	7,838,032	7,778,529
	9,330,102	9,946,026	8,053,475

Revenue from contracts with customers and transfers to enable the acquisition or construction of recognisable non-financial assets to be controlled by the Shire is comprised of:

Revenue from contracts with customers recognised during the year	2,264,783	2,107,994	208,671
Other revenue from contracts with customers recognised during the year	0	0	274,946
Revenue from transfers intended for acquiring or constructing recognisable non financial assets during the year	7,065,319	7,838,032	7,569,858
	9,330,102	9,946,026	8,053,475

Information about receivables, contract assets and contract liabilities from contracts with customers along with financial assets and associated liabilities arising from transfers to enable the acquisition or construction of recognisable non financial assets is:

Trade and other receivables from contracts with customers	1,350,863	0	563,442
Contract liabilities from contracts with customers	(189,999)	0	(824,480)

Assets associated with contracts with customers were not subject to an impairment charge.

Impairment of assets associated with contracts with customers are detailed at note 2 (b) under 'Other expenditure'.

Contract liabilities for contracts with customers primarily relate to grants with performance obligations received in advance, for which revenue is recognised over time as the performance obligations are met.

Information is not provided about remaining performance obligations for contracts with customers that had an original expected duration of one year or less.

Consideration from contracts with customers is included in the transaction price.

Performance obligations in relation to contract liabilities from transfers for recognisable non financial assets are satisfied as project milestones are met or completion of construction or acquisition of the asset. All associated performance obligations are expected to be met over the next 12 months.

**SHIRE OF KATANNING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30 JUNE 2021**

**2. REVENUE AND EXPENSES (Continued)**

**(a) Revenue (Continued)**

**Revenue from statutory requirements**

Revenue from statutory requirements was recognised during the year for the following nature or types of goods or services:

**General rates**

**Other revenue**

Recoveries and Reimbursements

Other

**Interest earnings**

Interest on reserve funds

Rates instalment and penalty interest (refer Note 31(c))

Other interest earnings

	2021 Actual \$	2021 Budget \$	2020 Actual \$
General rates	4,179,323	4,230,571	4,125,426
	4,179,323	4,230,571	4,125,426

Other interest earnings	0	26,500	6,736
	96,415	202,669	250,144

**SIGNIFICANT ACCOUNTING POLICIES**

**Interest earnings**

Interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset except for financial assets that subsequently become credit-impaired. For credit-impaired financial assets the effective interest rate is applied to the net carrying amount of the financial asset (after deduction of the loss allowance).

**Interest earnings (continued)**

Interest income is presented as finance income where it is earned from financial assets that are held for cash management purposes.

**SHIRE OF KATANNING**

Cash at bank and on hand		9,550,578	11,995,238
<b>Total cash and cash equivalents</b>		<b>9,550,578</b>	<b>11,995,238</b>

**Restrictions**

The following classes of assets have restrictions imposed by regulations or other externally imposed requirements which limit or direct the purpose for which the resources may be used:

- Cash and cash equivalents		8,817,826	10,280,775
- Financial assets at amortised cost	5(a)	4,481,106	6,558,609
		<b>13,298,932</b>	<b>16,839,384</b>

The restricted assets are a result of the following specific purposes to which the assets may be used:

Reserves Cash backed	4	8,535,951	9,369,288
Financial assets at amortised cost	5(a)	4,481,106	6,583,523
Contract liabilities from contracts with customers	16	189,999	824,480
Bonds Held	15	91,876	62,093
<b>Total restricted assets</b>		<b>13,298,932</b>	<b>16,839,384</b>

**SIGNIFICANT ACCOUNTING POLICIES**

**Cash and cash equivalents**

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts. Bank overdrafts are reported as short term borrowings in current liabilities in the statement of financial position.

**Restricted assets**

Restricted asset balances are not available for general use by the local government due to externally imposed restrictions. Externally imposed restrictions are specified in an agreement, contract or legislation. This applies to reserves, unspent grants, subsidies and contributions and unspent loans that have not been fully expended in the manner specified by the contributor, legislation or loan agreement.

	124,637	124,637
	124,637	124,637
	124,637	124,637

## SIGNIFICANT ACCOUNTING POLICIES

### Other financial assets at amortised cost

The Shire classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

### Financial assets at fair value through profit and loss

The Shire classifies the following financial assets at fair value through profit and loss:

- debt investments which do not qualify for measurement at either amortised cost or fair value through other comprehensive income.
- equity investments which the Shire has not elected to recognise fair value gains and losses through other comprehensive income.

### Impairment and risk

Information regarding impairment and exposure to risk can be found at Note 33.

## 6. TRADE AND OTHER RECEIVABLES

### Current

Rates receivable
GST receivable
Sundry Debtors
Allowance for impairment of receivables
Accrued Income

### Non-current

Pensioner's rates and ESL deferred
------------------------------------

2021	2020
\$	\$
911,074	954,474
114,279	41,085
2,174,626	732,851
(318,467)	(303,608)
0	142,879
2,881,512	1,567,681
227,141	261,467
227,141	261,467

### SIGNIFICANT ACCOUNTING POLICIES

#### Trade and other receivables

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Trade receivables are recognised at original invoice amount less any allowances for uncollectible amounts (i.e. impairment). The carrying amount of net trade receivables is equivalent to fair value as it is due for settlement within 30 days.

#### Impairment and risk exposure

Information about the impairment of trade receivables and their exposure to credit risk and interest rate risk can be found in Note 33.

### SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Classification and subsequent measurement

Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Trade receivables are held with the objective to collect the contractual cashflows and therefore measures them subsequently at amortised cost using the effective interest rate method.

Due to the short term nature of current receivables, their carrying amount is considered to be the same as their fair value. Non-current receivables are indexed to inflation, any difference between the face value and fair value is considered immaterial.

## 7. INVENTORIES

### Current

Fuel and materials

The following movements in inventories occurred during the year:

### Balance at beginning of year

Inventories expensed during the year

Additions to inventory

### Balance at end of year

	2021	2020
	\$	\$
	11,442	15,086
	11,442	15,086
	15,086	4,578
	(108,208)	(147,630)
	104,564	158,138
	11,442	15,086

## SIGNIFICANT ACCOUNTING POLICIES

### General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

## 9. PROPERTY, PLANT AND EQUIPMENT (Continued)

### (b) Carrying Value Measurements

Asset Class	Fair Value Hierarchy	Valuation Technique	Basis of Valuation	Date of Last Valuation	Inputs Used
<b>(i) Fair Value</b>					
<b>Land and buildings</b>					
Land - freehold land	2	Market approach using recent or estimated observable market data for similar properties	Management Valuation	June 2017	Price per hectare
Land - freehold land	2 & 3	Cost approach using depreciated replacement cost (Net Revaluation method)	Management Valuation	June 2017	Improvements to land using construction costs (Level 2) and current condition, residual values and remaining useful life assessments (Level 3) inputs.
Buildings - non-specialised	2	Market approach using recent or estimated observable market data for similar properties	Management Valuation	June 2017	Open market values of similar items adjusted for condition and comparability.
Buildings - specialised	2 & 3	Cost approach using depreciated replacement cost (Net Revaluation method)	Management Valuation	June 2017	Construction costs (Level 2) and current condition, residual values and remaining useful life assessments (Level 3) inputs.
Level 3 Inputs are based on assumptions with regards to future values and patterns of consumption utilising current information. If the basis of these assumptions were varied, they have the potential to result in a significantly higher or lower value measurement.					
During the period there were no changes in the valuation techniques used by the local government to determine the fair value of property, plant and equipment using either level 2 or level 3 inputs.					
<b>(ii) Cost</b>					
<b>Furniture</b>		Cost	Cost		Purchase Cost
<b>Plant</b>		Cost	Cost		Purchase Cost
<b>Paintings &amp; Sculptures</b>		Cost	Cost		Purchase Cost
<b>Motor Vehicles</b>		Cost	Cost		Purchase Cost
<b>Equipment</b>		Cost	Cost		Purchase Cost

Following a change to Local Government (Financial Management) Regulation 17A, plant and equipment type assets (being plant and equipment and furniture and equipment) are to be measured under the cost model, rather than at fair value. This change was effective from 1 July 2019 and represented a change in accounting policy. Revaluations carried out previously were not reversed as it was deemed fair value approximated cost at the date of change.

**10. INFRASTRUCTURE (Continued)**

**(b) Carrying Value Measurements**

<b>(i) Fair Value</b>	<b>Asset Class</b>	<b>Fair Value Hierarchy</b>	<b>Valuation Technique</b>	<b>Basis of Valuation</b>	<b>Date of Last Valuation</b>	<b>Inputs Used</b>
	<b>Infrastructure - Roads</b>	3	Cost approach using depreciated replacement cost (Gross Revaluation method)	Management Valuation	June 2018	Construction costs and current condition, residual values and remaining useful life assessments (level 3) inputs
	<b>Infrastructure - Footpaths</b>	3	Cost approach using depreciated replacement cost (Gross Revaluation method)	Management Valuation	June 2018	Construction costs and current condition, residual values and remaining useful life assessments (level 3) inputs
	<b>Infrastructure - Drainage</b>	3	Cost approach using depreciated replacement cost (Gross Revaluation method)	Management Valuation	June 2018	Construction costs and current condition, residual values and remaining useful life assessments (level 3) inputs
	<b>Infrastructure - Parks &amp; Ovals</b>	3	Cost approach using depreciated replacement cost (Gross Revaluation method)	Management Valuation	June 2018	Construction costs and current condition, residual values and remaining useful life assessments (level 3) inputs
	<b>Other infrastructure</b>	3	Cost approach using depreciated replacement cost (Gross Revaluation method)	Management Valuation	June 2018	Construction costs and current condition, residual values and remaining useful life assessments (level 3) inputs
	<b>Infrastructure - Bridges</b>	3	Cost approach using depreciated replacement cost (Gross Revaluation method)	Management Valuation	June 2018	Construction costs and current condition, residual values and remaining useful life assessments (level 3) inputs

Level 3 inputs are based on assumptions with regards to future values and patterns of consumption utilising current information. If the basis of these assumptions were varied, they have the potential to result in a significantly higher or lower fair value measurement.

During the period there were no changes in the valuation techniques used to determine the fair value of infrastructure using level 3 inputs.

11. FIXED ASSETS

SIGNIFICANT ACCOUNTING POLICIES

Fixed assets

Each class of fixed assets within either plant and equipment or infrastructure, is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Initial recognition and measurement between mandatory revaluation dates

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with *Financial Management Regulation 17A (5)*. These assets are expensed immediately

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

In relation to this initial measurement, cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at zero cost or otherwise significantly less than fair value, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Shire includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

Individual assets that are land, buildings, infrastructure and investment properties acquired between initial recognition and the next revaluation of the asset class in accordance with the mandatory measurement framework, are recognised at cost and disclosed as being at fair value as management believes cost approximates fair value. They are subject to subsequent revaluation at the next anniversary date in accordance with the mandatory measurement framework.

Revaluation

The fair value of land, buildings, infrastructure and investment properties is determined at least every five years in accordance with the regulatory framework. This includes buildings and infrastructure items which were pre-existing improvements (i.e. vested improvements) on vested land acquired by the Shire.

Revaluation (Continued)

At the end of each period the valuation is reviewed and where appropriate the fair value is updated to reflect current market conditions. This process is considered to be in accordance with *Local Government (Financial Management) Regulation 17A (2)* which requires land, buildings, infrastructure, investment properties and vested improvements to be shown at fair value.

Increases in the carrying amount arising on revaluation of assets are credited to a revaluation surplus in equity. Decreases that offset previous increases of the same class of asset are recognised against revaluation surplus directly in equity. All other decreases are recognised in profit or loss.

AUSTRALIAN ACCOUNTING STANDARDS - INCONSISTENCY

Land under roads from 1 July 2019

As a result of amendments to the *Local Government (Financial Management) Regulations 1996*, effective from 1 July 2019, vested land, including land under roads, is treated as right-of-use assets measured at zero cost. Therefore, the previous inconsistency with AASB 1051 in respect of non-recognition of land under roads acquired on or after 1 July 2008 has been removed, even though measurement at zero cost means that land under roads is still not included in the statement of financial position.

Vested improvements from 1 July 2019

The measurement of vested improvements at fair value in accordance with *Local Government (Financial Management) Regulation 17A(2)(iv)* is a departure from AASB 16 which would have required the Shire to measure the vested improvements as part of the related right-of-use assets at zero cost.

Refer to Note 12 that details the significant accounting policies applying to leases (including right-of-use assets).

	<b>6,155,466</b>	<b>6,018,038</b>	<b>6,036,761</b>

**SIGNIFICANT ACCOUNTING POLICIES**

**Depreciation**

The depreciable amount of all fixed assets including buildings but excluding freehold land and vested land, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income in the period in which they arise.

**Depreciation rates**

Typical estimated useful lives for the different asset classes for the current and prior years are included in the table below:

<b>Asset Class</b>	<b>Useful life</b>
Land	Not depreciated
Buildings - Non specialised	8 to 34 years
Buildings - Specialised	4 to 63 years
Furniture and Fittings	10 to 24 years
Plant	5 to 10 years
Equipment	5 to 50 years
Motor Vehicles	4 to 5 years
Paintings and Sculptures	Not depreciated
Infrastructure - Roads (Sub Grade)	Not depreciated
Infrastructure - Roads (Surface)	25 to 55 years
Infrastructure - Roads (Pavement)	45 years
Infrastructure - Roads (Kerbing)	85 years
Infrastructure - Footpaths	15 years
Infrastructure - Drainage	25 to 76 years
Infrastructure - Parks and Ovals	12 to 56 years
Infrastructure - Other	6 to 111 years
Infrastructure - Bridges	25 to 56 years

**Depreciation on revaluation**

When an item of property, plant and equipment is revalued, any accumulated depreciation at the date of the revaluation is treated in one of the following ways:

- The gross carrying amount is adjusted in a manner that is consistent with the revaluation of the carrying amount of the asset. For example, the gross carrying amount may be restated by reference to observable market data or it may be restated proportionately to the change in the carrying amount. The accumulated depreciation at the date of the revaluation is adjusted to equal the difference between the gross carrying amount and the carrying amount of the asset after taking into account accumulated impairment losses; or
- Eliminated against the gross carrying amount of the asset and the net amount restated to the revalued amount of the asset.

**Amortisation**

All intangible assets with a finite useful life, are amortised on a straight-line basis over the individual asset's useful life from the time the asset is held for use.

The residual value of intangible assets is considered to be zero and the useful life and amortisation method are reviewed at the end of each financial year.

Amortisation is included within Depreciation on non-current assets in the Statement of Comprehensive Income and in the note above.

## 12. LEASES

### Right-of-Use Assets

Movement in the balance of each class of right-of-use asset between the beginning and the end of the current financial year.

	Right-of-use assets - plant and equipment	Right-of-use assets Total
	\$	
Balance at 1 July 2019	0	0
Additions	76,702	76,702
Depreciation (expense)	(18,761)	(18,761)
Balance at 30 June 2020	57,941	57,941
Disposals	(41,277)	(41,277)
Additions	55,879	55,879
Depreciation (expense)	(21,589)	(21,589)
Balance at 30 June 2021	50,954	50,954

The following amounts were recognised in the statement of comprehensive income during the period in respect of leases where the entity is the lessee:

	2021 Actual	2020 Actual
	\$	\$
Depreciation expense on lease liabilities	(21,589)	(18,761)
Interest expense on lease liabilities	(808)	(884)
Short-term lease payments recognised as expense	(21,375)	(18,394)
<b>Total amount recognised in the statement of comprehensive income</b>	<b>(43,772)</b>	<b>(38,039)</b>
Total cash outflow from leases	(24,535)	(19,278)

The Shire has three leases relating to plant and equipment. The lease term for leases is 2 to 5 years.

### SIGNIFICANT ACCOUNTING POLICIES

#### Leases

At inception of a contract, the Shire assesses if the contract contains or is a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

At the commencement date, a right-of-use asset is recognised at cost and lease liability at the present value of the lease payments that are not paid at that date. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Shire uses its incremental borrowing rate.

All contracts that are classified as short-term leases (i.e. a lease with a remaining term of 12 months or less) and leases of low value assets are recognised as an operating expense on a straight-line basis over the term of the lease.

Leases for right-of-use assets are secured over the asset being leased.

#### Right-of-use assets - valuation

Right-of-use assets are measured at cost. This means that all right-of-use assets (other than vested improvements) under zero cost concessionary leases are measured at zero cost (i.e. not included in the statement of financial position). The exception is vested improvements on concessionary land leases such as roads, buildings or other infrastructure which are reported at fair value.

Refer to Note 11 for details on the significant accounting policies applying to vested improvements.

#### Right-of-use assets - depreciation

Right-of-use assets are depreciated over the lease term or useful life of the underlying asset, whichever is the shortest. Where a lease transfers ownership of the underlying asset, or the cost of the right-of-use asset reflects that the Shire anticipates to exercise a purchase option, the specific asset is amortised over the useful life of the underlying asset.

### 13. REHABILITATION ASSETS

#### Rehabilitation Assets

#### Non-current

Rehabilitation asset Waste landfill  
Less: accumulated depreciation

\$	\$
317,460	280,262
(251,125)	(217,517)
66,335	62,745

Movements in carrying amounts of waste landfill assets during the financial year are shown as follows:

Carrying amount at 30 June	62,745	66,928
Recognition of rehabilitation asset	37,198	0
Amortisation expense	(33,608)	(4,183)
Carrying amount at 30 June	66,335	62,745

The Shire has a legal obligation to rehabilitate the Katanning Landfill Site once closed. In 2020 the previous annual financial report identified this site under the note Contingent Liabilities. During the 2020 year the Shire commissioned an assessment of the Shire of Katanning Landfill site closure costs, providing a reliable estimate relating to the future costs and timing of closing the landfill site.

In 2021 the Katanning Landfill Site was reassessed after a physical inspection of the site by the external valuer and the Shire Environmental Health Officer.

#### 14. REVALUATION SURPLUS

	2021 Opening Balance	Total Movement on Revaluation	2021 Closing Balance	2020 Opening Balance	2020 Change in Accounting Policy	Total Movement on Revaluation	2020 Closing Balance
	\$	\$	\$	\$		\$	\$

## SIGNIFICANT ACCOUNTING POLICIES

### Trade and other payables

Trade and other payables represent liabilities for goods and services provided to the Shire prior to the end of the financial year that are unpaid and arise when the Shire becomes obliged to make future payments in respect of the purchase of these goods and services.

The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition

### Prepaid rates

Prepaid rates are, until the taxable event has occurred (start of the next financial year), refundable at the request of the ratepayer. Rates received in advance are initially recognised as a financial liability. When the taxable event occurs, the financial liability is extinguished and the Shire recognises revenue for the prepaid rates that have not been refunded.

16. OTHER LIABILITIES

Current

Contract Liabilities

2021	2020
\$	\$
189,999	824,480
189,999	824,480

Less than 1 year

Contract liabilities
189,999
189,999

SIGNIFICANT ACCOUNTING POLICIES

Contract liabilities

Contract liabilities represent the the Shire's obligation to transfer goods or services to a customer for which the Shire has received consideration from the customer.

With respect to transfers for recognisable non-financial assets, contract liabilities represent performance obligations which are not yet satisfied.

Contract liabilities are recognised as revenue when the performance obligations in the contract are satisfied.

## SIGNIFICANT ACCOUNTING POLICIES

### Financial liabilities

Financial liabilities are recognised at fair value when the Shire becomes a party to the contractual provisions to the instrument.

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

Financial liabilities are derecognised where the related obligations are discharged, cancelled or expired. The difference between the carrying amount of the financial liability extinguished or transferred to another party and the fair value of the consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

### Borrowing costs

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset until such time as the asset is substantially ready for its intended use or sale.

### Risk

Information regarding exposure to risk can be found at Note 33.

## 19. EMPLOYEE RELATED PROVISIONS

### (a) Employee Related Provisions

#### Opening balance at 1 July 2020

Current provisions  
Non-current provisions

Additional provision

#### Balance at 30 June 2021

#### Comprises

Current  
Non-current

	Provision for Annual Leave	Provision for Long Service Leave	Total
	\$	\$	\$
Opening balance at 1 July 2020			
Current provisions	369,929	288,046	657,975
Non-current provisions	0	122,771	122,771
	369,929	410,817	780,746
Additional provision	(43,377)	47,588	4,211
Balance at 30 June 2021	326,552	458,405	784,957
Comprises			
Current	326,552	344,845	671,397
Non-current	0	113,560	113,560
	326,552	458,405	784,957

### (b) Amounts are expected to be settled on the following basis:

Less than 12 months after the reporting date  
More than 12 months from reporting date  
Expected reimbursements from other WA local governments

	2021	2020
	\$	\$
Less than 12 months after the reporting date	307,539	338,178
More than 12 months from reporting date	504,315	501,132
Expected reimbursements from other WA local governments	(26,897)	(58,564)
	784,957	780,746

Timing of the payment of current leave liabilities is difficult to determine as it is dependent on future decisions of employees. Expected settlement timings are based on information obtained from employees and historical leave trends and assumes no events will occur to impact on these historical trends.

## SIGNIFICANT ACCOUNTING POLICIES

### Employee benefits

The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

#### Short-term employee benefits

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position.

#### Other long-term employee benefits

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at

#### Other long-term employee benefits (Continued)

rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur.

The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

#### Provisions

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

## 20. OTHER PROVISIONS

	Provision for remediation costs	Total
	\$	\$
<b>Opening balance at 1 July 2019</b>		
Non-current provisions	913,417	913,417
	<u>913,417</u>	<u>913,417</u>
Increase in the discounted amount arising because of time and the effect of any change in the discounted rate	27,402	27,402
<b>Balance at 30 June 2020</b>	<u>940,819</u>	<u>940,819</u>
<b>Opening balance at 1 July 2020</b>		
Non-current provisions	940,819	940,819
	<u>940,819</u>	<u>940,819</u>
Adjustment arising from reassessment	(430,136)	(430,136)
<b>Balance at 30 June 2021</b>	<u>510,683</u>	<u>510,683</u>
<b>Comprises</b>		
Non-current	510,683	510,683
	<u>510,683</u>	<u>510,683</u>

### Other Provisions

A provision is recognised when:

- there is a present obligation as a result of activities undertaken;
- it is probable that an outflow of economic benefits will be required to settle the obligation; and
- the amount of the provision can be measured reliably.

Amounts which are reliably expected to be paid out within 12 months of the reporting date are classified as current. Exact timing of payment of non-current obligation is unable to be reliably estimated as it is dependent on factors beyond the control of the local government.

### Provision for remediation costs

Under the licence for the operation of the Katanning landfill site, the Shire has a legal obligation to restore the site.

The estimated future obligations include the costs of restoring the affected areas and continued monitoring of the site.

The provision for future remediation costs is the best estimate of the present value of the expenditure required to settle the remediation obligation at the reporting date. Future remediation costs are reviewed annually and any changes in the estimate are reflected in the present value of the remediation provision at each reporting date.

## 21. NOTES TO THE STATEMENT OF CASH FLOWS

### Reconciliation of Cash

For the purposes of the Statement of Cash Flows, cash includes cash and cash equivalents, net of outstanding bank overdrafts. Cash at the end of the reporting period is reconciled to the related items in the Statement of Financial Position as follows:

	2021 Actual \$	2021 Budget \$	2020 Actual \$
Cash and cash equivalents	9,550,578	18,947,390	11,995,238

Unallocated	3,337,689	5,105,241
	235,117,380	233,529,962

## 23. CONTINGENT LIABILITIES

In compliance with the *Contaminated Sites Act 2003 Section 11*, the Shire has identified sites to be possible possible sources of contamination. Details of those sites are:

1. **Katanning Regional Sheep Saleyard** - Crown Reserve 50922, Lot 500 Katanning-Nyabing Road, Katanning  
This site is suspected of being contaminated but has not been assessed at this time.

2. **Shire Depot** - Lot 996 Cullen Street, Katanning  
This site is suspected of being contaminated but has not been assessed at this time.

Until the Shire conducts an investigation to determine the presence and scope of contamination, assess the risk and agree with the Department of Water and Environmental Regulation on the need and criteria for remediation on a risk based approach, the Shire is unable to estimate the potential costs associated with remediation of these sites. This approach is consistent with the Department of Water and Environmental Regulation Guidelines.

## 24. CAPITAL COMMITMENTS

### Capital Expenditure Commitments

Contracted for:

- capital expenditure projects	656,835	2,824,327
- plant & equipment purchases	101,482	511,526
	<b>758,317</b>	<b>3,335,853</b>

Payable:

- not later than one year	758,317	3,335,853
---------------------------	---------	-----------

The capital expenditure outstanding at the end of the current period represents the construction of the Piesse Lake Residential Development, the Saleyard Energy Improvements and the Great Southern Aged Accommodation project. The plant and equipment purchases are for the replacement of a motor vehicle and a tipper truck. The prior year commitment was for the construction of the Piesse Lake Residential Development, the Great Southern Aged Accommodation Project, the purchase of a John Deere Backhoe, Case Front End Loader and two Fuso Canter Trucks.

## 26. RELATED PARTY TRANSACTIONS

### Key Management Personnel (KMP) Compensation Disclosure

The total of remuneration paid to KMP of the Shire during the year are as follows:

	2021 Actual	2020 Actual
	\$	\$
Short-term employee benefits	528,270	639,789
Post-employment benefits	55,750	61,974
Other long-term benefits	9,484	14,475
Termination benefits	86,168	48,910
	<u>679,672</u>	<u>765,148</u>

#### *Short-term employee benefits*

These amounts include all salary, fringe benefits and cash bonuses awarded to KMP except for details in respect to fees and benefits paid to elected members which may be found above.

#### *Post-employment benefits*

These amounts are the current-year's estimated cost of providing for the Shire's superannuation contributions made during the year.

#### *Other long-term benefits*

These amounts represent long service benefits accruing during the year.

#### *Termination benefits*

These amounts represent termination benefits paid to KMP.

## 26. RELATED PARTY TRANSACTIONS (Continued)

### Transactions with related parties

Transactions between related parties and the Shire are on normal commercial terms and conditions, no more favourable than those available to other parties, unless otherwise stated.

No outstanding balances or provisions for doubtful debts or guaranties exist in relation to related parties at year end.

The following transactions occurred with related parties:	2021 Actual \$	2020 Actual \$
Sale of goods and services	1,386,444	69,693
Purchase of goods and services	90,648	75,609
<b>Amounts outstanding from related parties:</b>		
Trade and other receivables	1,351,281	1,965

### Related Parties

#### The Shire's main related parties are as follows:

##### i. Key management personnel

Any person(s) having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any elected member, are considered key management personnel.

##### ii. Other Related Parties

An associate person of KMP was employed by the Shire under normal employment terms and conditions.

Any entity that is controlled by or over which KMP, or close family members of KMP, have authority and responsibility for planning, directing and controlling the activity of the entity, directly or indirectly, are considered related parties in relation to the Shire.

##### iii. Entities subject to significant influence by the Shire

An entity that has the power to participate in the financial and operating policy decisions of an entity, but does not have control over those policies, is an entity which holds significant influence. Significant influence may be gained by share ownership, statute or agreement.

## **27. INVESTMENT IN JOINT ARRANGEMENTS**

The shire had no investment in joint arrangements during the financial year ended 30 June 2021.

## **28. INVESTMENT IN ASSOCIATES**

The Shire of Katanning had no investment in associates as at the 30 June 2021.

## **29. MAJOR LAND TRANSACTIONS**

The Shire was not party to any major land transactions during the current financial year ended 30 June 2021.

## **30. TRADING UNDERTAKINGS AND MAJOR TRADING UNDERTAKINGS**

The Shire did not participate in any major trading undertaking during the financial year 30 June 2021.

**SIGNIFICANT ACCOUNTING POLICIES**

**Rates**

Control over assets acquired from rates is obtained at the commencement of the rating period.

Prepaid rates are, until the taxable event has occurred (start of the next financial year), refundable at the request of the ratepayer.

Rates received in advance are initially recognised as a financial liability. When the taxable event occurs, the financial liability is extinguished and the Shire recognises revenue for the prepaid rates that have not been refunded.

### 33. FINANCIAL RISK MANAGEMENT

This note explains the Shire's exposure to financial risks and how these risks could affect the Shire's future financial performance.

Risk	Exposure arising from	Measurement	Management
Market risk - interest rate	Long term borrowings at variable rates	Sensitivity analysis	Utilise fixed interest rate borrowings
Credit risk	Cash and cash equivalents, trade receivables, financial assets at amortised cost.	Aging analysis Credit analysis	Diversification of bank deposits, credit limits. Investment policy
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities

The Shire does not engage in transactions expressed in foreign currencies and is therefore not subject to foreign currency risk.

Financial risk management is carried out by the finance area under policies approved by the Council. The finance area identifies, evaluates and manages financial risks in close co-operation with the operating divisions. Council have approved the overall risk management policy and provide policies on specific areas such as investment policy.

#### (a) Interest rate risk

##### Cash and cash equivalents

The Shire's main interest rate risk arises from cash and cash equivalents with variable interest rates, which exposes the Shire to cash flow interest rate risk. Short term overdraft facilities also have variable interest rates however these are repaid within 12 months, reducing the risk level to minimal.

Excess cash and cash equivalents are invested in fixed interest rate term deposits which do not expose the Shire to cash flow interest rate risk. Cash and cash equivalents required for working capital are held in variable interest rate accounts and non-interest bearing accounts. Carrying amounts of cash and cash equivalents at the 30 June and the weighted average interest rate across all cash and cash equivalents and term deposits held disclosed as financial assets at amortised cost are reflected in the table below.

	Weighted Average Interest Rate %	Carrying Amounts \$	Fixed Interest Rate \$	Variable Interest Rate \$	Non Interest Bearing \$
<b>2021</b>					
Cash and cash equivalents	0.14%	9,550,578	0	9,548,378	2,200
Financial assets at amortised cost - OCDF	0.06%	4,481,106	0	4,481,106	0
<b>2020</b>					
Cash and cash equivalents	0.15%	11,995,238	0	11,993,039	2,199
Financial assets at amortised cost - OCDF	0.09%	6,558,609	0	6,558,609	0

##### Sensitivity

Profit or loss is sensitive to higher/lower interest income from cash and cash equivalents as a result of changes in interest rates.

Impact of a 1% movement in interest rates on profit and loss and equity\*

\* Holding all other variables constant

	2021	2020
	\$	\$
	95,506	119,219

##### Borrowings

Borrowings are subject to interest rate risk - the risk that movements in interest rates could adversely affect funding costs. The Shire manages this risk by borrowing long term and fixing the interest rate to the situation considered the most advantageous at the time of negotiation. The Shire does not consider there to be any interest rate risk in relation to borrowings. Details of interest rates applicable to each borrowing may be found at Note 18(b).

### 33. FINANCIAL RISK MANAGEMENT (Continued)

#### (b) Credit risk

##### **Trade and Other Receivables**

The Shire's major receivables comprise rates annual charges and user fees and charges. The major risk associated with these receivables is credit risk – the risk that the debts may not be repaid. The Shire manages this risk by monitoring outstanding debt and employing debt recovery policies. It also encourages ratepayers to pay rates by the due date through incentives.

Credit risk on rates and annual charges is minimised by the ability of the Shire to recover these debts as a secured charge over the land, that is, the land can be sold to recover the debt. Whilst the Shire was historically able to charge interest on overdue rates and annual charges at higher than market rates, which further encourage payment.

The level of outstanding receivables is reported to Council monthly and benchmarks are set and monitored for acceptable collection performance.

The Shire applies the AASB 9 simplified approach to measuring expected credit losses using a lifetime expected loss allowance for all trade receivables. To measure the expected credit losses, rates receivable are separated from other trade receivables due to the difference in payment terms and security for rates receivable.

The expected loss rates are based on the payment profiles of rates and fees and charges over a period of 36 months before 1 July 2020 or 1 July 2021 respectively and the corresponding historical losses experienced within this period. Historical credit loss rates are adjusted to reflect current and forward-looking information on macroeconomic factors such as the ability of ratepayers and residents to settle the receivables. Housing prices and unemployment rates have been identified as the most relevant factor in repayment rates, and accordingly adjustments are made to the expected credit loss rate based on these factors.

The loss allowance as at 30 June 2021 and for 30 June 2020 for rates receivable was determined as follows:

	Current	More than 1 year past due	More than 2 years past due	More than 3 years past due	Total
<b>30 June 2021</b>					
Rates receivable					
Expected credit loss	0.00%	0.00%	0.00%	0.00%	
Gross carrying amount	613,099	175,443	97,910	251,763	1,138,215
Loss allowance					0
<b>30 June 2020</b>					
Rates receivable					
Expected credit loss	0.00%	0.00%	0.00%	0.00%	
Gross carrying amount	13,474	495,530	208,895	498,042	1,215,941
Loss allowance	0	0	0	0	0

The loss allowance as at 30 June 2021 and 30 June 2020 was determined as follows for trade receivables.

	Current	More than 30 days past due	More than 60 days past due	More than 90 days past due	Total
<b>30 June 2021</b>					
Trade and other receivables					
Expected credit loss	0.00%	0.00%	0.00%	48.58%	
Gross carrying amount	1,490,775	7,924	20,356	655,571	2,174,626

Gross carrying amount	196,331	4,097	12,767	519,656	732,851
Loss allowance	0	0	0	(303,583)	(303,583)

**SHIRE OF KATANNING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30 JUNE 2021**

**33. FINANCIAL RISK MANAGEMENT (Continued)**

**(c) Liquidity risk**

**Payables and borrowings**

Payables and borrowings are both subject to liquidity risk – that is the risk that insufficient funds may be on hand to meet payment obligations as and when they fall due. The Shire manages this risk by monitoring its cash flow requirements and liquidity levels and maintaining an adequate cash buffer. Payment terms can be extended and overdraft facilities drawn upon if required and disclosed in Note 18(d).

The contractual undiscounted cash flows of the Shire's payables and borrowings are set out in the liquidity table below. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.

	Due within 1 year	Due between 1 & 5 years	Due after 5 years	Total contractual cash flows	Carrying values
	\$	\$	\$	\$	\$
<b>2021</b>

### 34. EVENTS OCCURRING AFTER THE END OF THE REPORTING PERIOD

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Shire.

**SHIRE OF KATANNING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30 JUNE 2021**

**35. CORRECTION OF ERROR**

**Prior Period Corrections**

Balances relating to the 2020 and 2019 comparative years have been amended due to the correction of prior period errors. These errors have been adjusted as below in accordance with the requirements of AASB101. As the Annual Financial Statements were being drawn for 2020/21 it was discovered that the Capital Project to relocate the bowling club was being carried out on privately held land and it is therefore not a Shire owned asset. A correction of a prior year error has been raised to remove these capital projects into expenditure in the year it was accounted for. Transfers between Infrastructure and Property, Plant and Equipment have been reclassified accordingly as they were not classified properly in the fixed assets register.

	Original Balance \$	Amount of Adjustment \$	Adjusted Balance \$
<b>Effect of the above:</b>			

**Statement of Financial Position as at 30 June 2019**

	46,167	0	0	46,167

# SHIRE OF KATANNING

## NOTES TO AND FORMING PART OF THE FINANCIAL REPORT

### FOR THE YEAR ENDED 30 JUNE 2021

#### 37. OTHER SIGNIFICANT ACCOUNTING POLICIES

##### a) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

##### b) Current and non-current classification

The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Shire's operational cycle. In the case of liabilities where the Shire does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current or non-current based on the Shire's intentions to release for sale.

##### c) Rounding off figures

All figures shown in this annual financial report, other than a rate in the dollar, are rounded to the nearest dollar. Amounts are presented in Australian Dollars.

##### d) Comparative figures

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

When the Shire applies an accounting policy retrospectively, makes a retrospective restatement or reclassifies items in its financial statements that has a material effect on the statement of financial position, an additional (third) statement of financial position as at the beginning of the preceding period in addition to the minimum comparative financial statements is presented.

##### e) Budget comparative figures

Unless otherwise stated, the budget comparative figures shown in this annual financial report relate to the original budget estimate for the relevant item of disclosure.

##### f) Superannuation

The Shire contributes to a number of Superannuation Funds on behalf of employees. All funds to which the Shire contributes are defined contribution plans.

##### g) Fair value of assets and liabilities

Fair value is the price that the Shire would receive to sell the asset or would have to pay to transfer a liability, in an orderly (i.e. unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset or liability. The fair values of assets that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data.

To the extent possible, market information is extracted from either the principal market for the asset or liability (i.e. the market with the greatest volume and level of activity for the asset or liability) or, in the absence of such a market, the most advantageous market available to the entity at the end of the reporting period (i.e. the market that maximises the receipts from the sale of the asset after taking into account transaction costs and transport costs).

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use or to sell it to another market participant that would use the asset in its highest and best use.

##### h) Fair value hierarchy

AASB 13 requires the disclosure of fair value information by level of the fair value hierarchy, which categorises fair value measurement into one of three possible levels based on the lowest level that an input that is significant to the measurement can be categorised into as follows:

##### Level 1

Measurements based on quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

##### Level 2

Measurements based on inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.

##### Level 3

Measurements based on unobservable inputs for the asset or liability.

The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data. If all significant inputs required to measure fair value are observable, the asset or liability is included in Level 2. If one or more significant inputs are not based on observable market data, the asset or liability is included in Level 3.

##### Valuation techniques

The Shire selects a valuation technique that is appropriate in the circumstances and for which sufficient data is available to measure fair value. The availability of sufficient and relevant data primarily depends on the specific characteristics of the asset or liability being measured. The valuation techniques selected by the Shire are consistent with one or more of the following valuation approaches:

##### Market approach

Valuation techniques that use prices and other relevant information generated by market transactions for identical or similar assets or liabilities.

##### Income approach

Valuation techniques that convert estimated future cash flows or income and expenses into a single discounted present value.

##### Cost approach

Valuation techniques that reflect the current replacement cost of the service capacity of an asset.

Each valuation technique requires inputs that reflect the assumptions that buyers and sellers would use when pricing the asset or liability, including assumptions about risks. When selecting a valuation technique, the Shire gives priority to those techniques that maximise the use of observable inputs and minimise the use of unobservable inputs. Inputs that are developed using market data (such as publicly available information on actual transactions) and reflect the assumptions that buyers and sellers would generally use when pricing the asset or liability are considered observable, whereas inputs for which market data is not available and therefore are developed using the best information available about such assumptions are considered unobservable.

##### i) Impairment of assets

In accordance with Australian Accounting Standards the Shire's cash generating non-specialised assets, other than inventories, are assessed at each reporting date to determine whether there is any indication they may be impaired.

Where such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount.

Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard (e.g. AASB 116) whereby any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

For non-cash generating specialised assets that are measured under the revaluation model, such as roads, drains, public buildings and the like, no annual assessment of impairment is required. Rather AASB 116.31 applies and revaluations need only be made with sufficient regulatory to ensure the carrying value does not differ materially from that which would be determined using fair value at the end of the reporting period.

**SHIRE OF KATANNING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30 JUNE 2021**

**38. ACTIVITIES/PROGRAMS**

Shire operations as disclosed in these financial statements encompass the following service orientated activities/programs.

<b>PROGRAM NAME AND OBJECTIVES</b>	<b>ACTIVITIES</b>
<b>GOVERNANCE</b> To provide a decision making process for the efficient allocation of scarce resources.	Administration and operation of facilities and services to members of Council. Other costs that relate to the tasks of assisting elected members and ratepayers on matters which do not concern specific council services.
<b>GENERAL PURPOSE FUNDING</b> To collect revenue to allow for the provision of services.	Rates, general purpose government grants and interest revenue.
<b>LAW, ORDER, PUBLIC SAFETY</b> To provide services to help ensure a safer and environmentally conscious community.	Supervision and enforcement of various local laws relating to fire prevention, animal control and other aspects of public safety including emergency services.
<b>HEALTH</b> To provide an operational framework for environmental and community health.	Food quality and pest control, inspection of abattoir and operation of child health clinic, analytical testing and Environmental Health administration.
<b>EDUCATION AND WELFARE</b> To provide services to disadvantaged persons, the elderly, children and youth.	Year round care, housing for the aged and educational services.
<b>HOUSING</b> To provide and maintain staff and elderly residents housing.	Provision and maintenance of staff and elderly residents housing.
<b>COMMUNITY AMENITIES</b> To provide services required by the community.	Rubbish and recycling collection services, operation of rubbish disposal site, litter control, construction and maintenance of urban storm water drains, protection of the environment and administration of town planning schemes, cemetery and public conveniences.
<b>RECREATION AND CULTURE</b> To establish and effectively manage infrastructure and resource which will help the social well being of the community.	Maintenance of town hall, public halls, civic centres, aquatic centre, recreation centres and various sporting facilities. Provision and maintenance of parks, gardens and playgrounds. Operation of library, art gallery and other cultural facilities.
<b>TRANSPORT</b> To provide safe, effective and efficient transport services to the community.	Construction and maintenance of roads, streets, bridges, footpaths, depot, airport and traffic control. Cleaning of streets and maintenance of street trees and street lighting. Purchase and disposal of Council's Road Plant.
<b>ECONOMIC SERVICES</b> To help promote the Shire and its economic wellbeing.	Tourism and area promotion. Maintenance and operation of the Saleyards. Building Control. Provision of rural services including weed control, vermin control and standpipes.
<b>OTHER PROPERTY AND SERVICES</b> To monitor and control Council's overheads operating accounts.	Private works operation, plant repair and operational costs and engineering operation costs.

### 39. FINANCIAL RATIOS

	2021 Actual	2020 Actual	2019 Actual
Current ratio	1.25	1.53	0.26
Asset consumption ratio	0.92	0.90	0.62
Asset renewal funding ratio	0.88	0.90	0.97
Asset sustainability ratio	0.75	0.46	1.34
Debt service cover ratio	6.64	5.27	7.11
Operating surplus ratio	(0.58)	(0.70)	(0.44)
Own source revenue coverage ratio	0.48	0.45	0.52

The above ratios are calculated as follows:

Current ratio	$\frac{\text{current assets minus restricted assets}}{\text{current liabilities minus liabilities associated with restricted assets}}$
Asset consumption ratio	$\frac{\text{depreciated replacement costs of depreciable assets}}{\text{current replacement cost of depreciable assets}}$
Asset renewal funding ratio	$\frac{\text{NPV of planned capital renewal over 10 years}}{\text{NPV of required capital expenditure over 10 years}}$
Asset sustainability ratio	$\frac{\text{capital renewal and replacement expenditure}}{\text{depreciation}}$
Debt service cover ratio	$\frac{\text{annual operating surplus before interest and depreciation}}{\text{principal and interest}}$
Operating surplus ratio	$\frac{\text{operating revenue minus operating expenses}}{\text{own source operating revenue}}$
Own source revenue coverage ratio	$\frac{\text{own source operating revenue}}{\text{operating expense}}$

## Auditor General

### INDEPENDENT AUDITOR'S REPORT 2021 Shire of Katanning

To the Councillors of the Shire of Katanning

## Report on the audit of the annual financial report

### Opinion

I have audited the financial report of the Shire of Katanning (Shire) which comprises:

- the Statement of Financial Position at 30 June 2021, the Statement of Comprehensive Income by Nature or Type, Statement of Comprehensive Income by Program, Statement of Changes in Equity, Statement of Cash Flows and Rate Setting Statement for the year then ended
- Notes comprising a summary of significant accounting policies and other explanatory information
- the Statement by the Chief Executive Officer.

In my opinion the financial report of the Shire of Katanning:

- is based on proper accounts and records
- fairly represents, in all material respects, the results of the operations of the Shire for the year ended 30 June 2021 and its financial position at the end of that period in accordance with the *Local Government Act 1995* (the Act) and, to the extent that they are not inconsistent with the Act, Australian Accounting Standards.

### Basis for opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's responsibilities section below. I am independent of the Shire in accordance with the *Auditor General Act 2006* and the relevant ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to my audit of the financial report. I have also fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

## **Responsibilities of the Chief Executive Officer and Council for the financial report**

The Chief Executive Officer (CEO) of the Shire is responsible for the preparation and fair presentation of the financial report in accordance with the requirements of the Act, the Regulations and Australian Accounting Standards. The CEO is also responsible for managing internal control (as required by the CEO) to ensure the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the CEO is responsible for assessing the Shire's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the State Government has made decisions affecting the continued existence of the Shire.

The Council is responsible for overseeing the Shire's financial reporting process.

## **Auditor's responsibility for the audit of the financial report**

As required by the *Auditor General Act 2006*, my responsibility is to express an opinion on the financial report. The objectives of my audit are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

A further description of my responsibilities for the audit of the financial report is located on the Auditing and Assurance Standards Board website. This description forms part of my auditor's report and can be found at [https://www.auasb.gov.au/auditors\\_responsibilities/ar4.pdf](https://www.auasb.gov.au/auditors_responsibilities/ar4.pdf).

## Report on other legal and regulatory requirements

In accordance with the Local Government (Audit) Regulations 1996 I report that:

- (i) In my opinion, the following material matter indicates a significant adverse trend in the financial position of the Shire:
  - a) The Operating Surplus Ratio has been below the Department of Local Government, Sport and Cultural Industries (DLGSCI) standard for the past three years.
- (ii) The following material matter indicating non-compliance with Part 6 of the Act, the Regulations or applicable financial controls of any other relevant written law were identified during the course of my audit:
  - a) Fixed asset reconciliation between the register and the corresponding general ledger control accounts has not been performed from December 2020 to April 2021. This is a key control for ensuring the completeness and accuracy of financial data within the general ledger from which financial statements are derived. Without this reconciliation being performed on a regular basis there is an increased risk of fraud and or errors going undetected.
- (iii) All required information and explanations were obtained by me.
- (iv) All audit procedures were satisfactorily completed.
- (v) In my opinion, the Asset Consumption Ratio and the Asset Renewal Funding Ratio included in the financial report were supported by verifiable information and reasonable assumptions.

### Other information

The other information is the information in the entity's annual report for the year ended 30 June 2021, but not the financial report and my auditor's report. The CEO is responsible for the preparation and the Council for overseeing the other information.

My opinion does not cover the other information and, accordingly, I do not express any form of assurance conclusion thereon.

### Matters relating to the electronic publication of the audited financial report

This auditor's report relates to the financial report of the Shire of Katanning for the year ended 30 June 2021 included on the Shire's website. The Shire's management is responsible for the integrity of the Shire's website. This audit does not provide assurance on the integrity of the Shire's website. The auditor's report refers only to the financial report described above. It does not provide an opinion on any other information which may have been hyperlinked to/from this financial report. If users of the financial report are concerned with the inherent risks arising from publication on a website, they are advised to refer to the hard copy of the audited financial report to confirm the information contained in this website version of the financial report.
