ONLY WORKING SMOKE ALARMS SAVE LIVES

If your smoke alarm isn't working properly, it won't warn you and your family of a fire in your home!

Is it time to change your battery?

Whether you need to change your smoke alarm battery will depend on your type of smoke alarm.

If you do need to change the battery, DFES recommends you do this on the 1st April.

Smoke alarms powered by:

- 9V AKALINE BATTERY require you to replace batteries every year.
- 10-year NON-REMOVABLE LITHIUM BATTERY do not require you to change the battery each year.
- MAINS-POWERED SMOKE ALARMS have a battery back-up for periods of mains power outage.

Many models have a rechargeable (non-removable) battery and do not need replacing. Refer to the manufacturer's instructions to see if you need to change the battery.

After replacing the battery:

Always test that your smoke alarm is operating by holding down the test button until you hear a loud alert tone.

Things you should know...

- Not all smoke alarms need their batteries replaced.
- Smoke alarms will make a 'beep' or 'chirping' sound when they have a low battery or are faulty.
- Mains powered smoke alarms are required to have a **Green** "Power ON" LED indicator. This will light up when the alarm is connected to mains power.
- Test your smoke alarm every month by holding down the test button until you hear a loud tone.
- All smoke alarms require replacement every 10 years. If you do not know how old your smoke alarm is, it's time to replace it.

For more information:

- Visit the DFES website at www.dfes.wa.gov.au
 - Contact DFES Community Engagement on 9395 9816

How to prepare for the storm season

Do you have an Emergency Kit?

How long would your family be able to be sustainable if the power was cut (12 HOURS +)?

Do you have a plan?

Preparing your family and home for a storm is your responsibility. If you live in a storm prone area, you should make it a priority asap to get your home ready inside and out. There are a few simple steps that could help you minimise damage:

- Check your roof and gutters for damage or loose material
- Clear gutters and downpipes of leaves and blockages
- Trim branches near your home and hire a contractor to clear trees from powerlines
- Clear rubbish from your yard, balcony or patio and put away any loose objects
- Prepare an emergency kit with portable radio, torch, spare batteries, first aid kit and family emergency plan
- Ensure your family understand storms and the risks
- Prepare an emergency plan including a relocation plan in case your home becomes flooded. Consider what you will do with your pets and know how to turn off the gas

For further information contact the Community Emergency Services Manager Cindy Pearce on 0417 071 567.

Talking about: Go Set a Watchman

From Harper Lee comes a landmark new novel set two decades after her beloved Pulitzer Prize-winning masterpiece, *To Kill a Mockingbird*. Maycomb, Alabama.

Twenty-six-year-old Jean Louise Finch--"Scout"--returns home from New York City to visit her aging father, Atticus. Set against the backdrop of the civil rights tensions and political turmoil that were transforming the South, Jean Louise's homecoming

turns bittersweet when she learns disturbing truths about her close-knit family, the town and the people dearest to her. Memories from her childhood flood back, and her values and assumptions are thrown into doubt. Featuring many of the iconic characters from *To Kill a Mockingbird*, *Go Set a Watchman* perfectly captures a young woman, and a world, in a painful yet necessary transition out of the illusions of the past--a journey that can be guided only by one's conscience. Written in the mid-1950s, *Go Set a Watchman* imparts a fuller, richer understanding and appreciation of Harper Lee. Here is an unforgettable novel of wisdom, humanity, passion, humor and effortless precision--a profoundly affecting work of art that is both wonderfully evocative of another era and relevant to our own times. It not only confirms the enduring brilliance of *To Kill a Mockingbird*, but also serves as its essential companion, adding depth, context and new meaning to an American classic.
