

SUPPORT DURING THE CORONAVIRUS OUTBREAK

As the Coronavirus (COVID-19) situation continues to evolve, the Shire of Katanning would like to take this opportunity to remind the community to look after their mental wellbeing as well as their physical health.

The Shire is aware there may be vulnerable members of our community who are self-isolating and may not have the support of family and neighbours. There is a help & support page for those concerned about accessing food, medications or just need someone to talk to during the crisis. This can be found on the <u>Keep Katanning Connected Covid19 Facebook page</u>.
